

SALVAGE TITLE ON A REBUILT VEHICLE

After you obtain a "Salvage" Certificate of Title and rebuild or have someone rebuild the vehicle for you, you must apply for a "Rebuilt" certificate of Title. To apply for a "Rebuilt" Certificate of Title, the following documents must be forwarded together to:

Motor Vehicle Division
Post Office Box 740384
Atlanta, Georgia 30374-0384
Attention: Salvage

Important: The Vehicle is not to be painted until after it has been inspected and has passed the Inspection by the Motor Vehicle Inspection Team.

1. One or more pictures of the motor vehicle in its salvaged condition.
2. A completed MV-1 title application typed and signed by the applicant(s).
3. The Salvage Certificate of Title issued in the applicant's name or properly assigned to applicant. Note: Every Georgia owner other than a licensed dealer is required to title the vehicle in their name before transfer of title.
4. A T-22R form (Request for Inspection of a Rebuilt Motor Vehicle) must be completed and submitted.
5. A T-129 (Labor and Parts Certification) completed, signed by the owner and signature notarized.
6. Bill(s) of sale made out to the rebuilder, listing each part used in repairing the vehicle. These bill(s) of sale must indicate whether the part was new or used. The stock number or part number must be shown along with the part name, if the part is new. If the part is used, the serial number or parts vehicle it was take from must be show. Each parts bill of sale must be signed with the full signature of the seller.
7. A certified check or money order for \$68.00 made payable to the Motor Vehicle Division for payment of the title fee (\$18.00) and the inspection fee (\$50.00)

Note: This vehicle must pass an inspection by the Motor Vehicle Division Inspection Section before a new Certificate of Title or a license plate will be issued.

When the properly executed title application, supporting documents, and fees have been received and are in order, the Motor Vehicle Inspection Section will be notified for and inspection to be made on this vehicle. If this vehicle passes an inspection, the inspectors will authorize the issuance of a Georgia Certificate of Title (e.g. "rebuilt" or without restrictions, based on the number of major component parts used to restore this vehicle.
